Series Notes:	Middle Tennessee opens the Sun Belt slate against New Orleans this weekend ... the Blue Raiders have opened the SBC season on the road for the past two seasons ... MT has won seven of its last eight games ... the Blue Raiders have gotten complete game pitching performances in two of its last four games.

Kines Gets Third Win

Junior right-hander **Steven Kines** picked up his third win in four outings with a complete game victory over Troy State on Tuesday night. Kines also posted his first-ever complete game and a career best nine strikeouts in the game. At one point, Kines retired 16 straight Trojans in the contest. Kines is considered a top candidate for the Sunday starting spot this weekend.

Jaggers Leads Offensive Attack

Freshman **Nate Jaggers** continued his offensive surge by leading the Blue Raider bats against Troy State. Jaggers posted a **5-for-8** series against the Trojans, including a homer and four RBIs. Jaggers blasted a homer over the left field wall on Tuesday night that put the Blue Raiders in front to stay. The Louisville, KY, native upped his average to **.392** and stands third on the club with **24** RBIs.

Sims Expected to Return

Junior **Justin Sims** is expected to return to the lineup as the left fielder when Middle Tennessee hits the field on Friday night. Sims has missed the last three games due to a pulled groin muscle. Sims leads the Sun Belt Conference with a **.500** batting average and currently paces the Blue Raiders with five homers and is second with **25** RBIs.

Immediate Impact

Head Coach **Steve Peterson** knew he would have to rely on several freshmen to play everyday this season, but even he could not have imagined the impact created by **Nate Jaggers**, **Josh Archer**, and **Brett Carroll** this season. Each man has been a stalwart in the MT lineup and have combined to hit **.346** thus far. Along with a solid average, the three have hit **12** homers and driven in **55** runs. In terms of percentage, the freshmen have hit **42.9** percent of the team's dingers and have driven in **32.7** percent of the team's runs.

Blue Raiders Visit Big Easy

The Blue Raiders will open conference play on the road for the second straight year. Last year saw the Blue Raiders open their inaugural season at Arkansas State and the team's plays its first series at New Orleans this season. In fact, the team's first two SBC series will occur away from Reese Smith Field as the Blue Raiders will travel to Las Cruces, NM, to play New Mexico State next weekend. The team's home opener comes against Western Kentucky April 12-14.

Mobley Becoming Relief Ace

Freshman **Chris Mobley** is rapidly becoming Middle Tennessee's top threat out of the bullpen. The Kingsport, TN, native earned his third win out of the pen on Wednesday against Troy State. Mobley has compiled a **4.15** ERA in 10 appearances in relief. Mobley is **3-0** on the year with a save. His 10 appearances is tied with fellow froshDanny Borne for tops on the squad. In his 17-1/3 innings of work, Mobley has rung up **18** Ks.

Harp Gets Game Winner

Sophomore catcher **Troy Harp** has come up big in key situations for the Blue Raiders this season and Wednesday was no exception. With the score tied and the bases loaded against Troy State, Harp bounced a single over the third base bag and into left field to drive in the winning run and give the team a come-from-behind victory. Harp has started slowly since returning from surgery, but two of his three hits have been homers and the single produced a game-winning run.

Blue Raiders vs. Privateers

The Blue Raiders and Privateers had quite a series last season. The teams split the four games they played with UNO winning the season series 2-1 and MT upending the Privateers in the SBC Tournament.

Steve Peterson

Head Coach ◆ Jacksonville State '73 ◆ 15th Season ◆ 460-351-2 (.566)

Steve Peterson is the personification of Middle Tennessee baseball.

After 14 years as the team's skipper, Peter-son has become the program's winningest coach with a record ot **460-353-2**.

In fact, Peterson has produced eight seasons with 30 or more wins, including a school record 42 victories during the 1990 slate.

Long known for his keen managerial mind, Peterson teaches a hard-nosed and aggressive style of baseball. His personable demeanor has made him a big hit among fans, boosters, players, and recruits alike.

Peterson also adheres to the philosophy that defense and pitching wins championships. He has long been known for outstanding defensive teams, and the Blue Raiders have featured some of the area's most feared hurlers throughout the years.

Peterson has seen three of his pitchers earn All-America honors, including the only First Team All-American in school history, Dewon Brazelton. Under his watch, the Blue Raiders have seen eight single season and eight career pitching records established.

The offensive output of the team has not been ignored under Peterson. Most of the offensive records held at Middle Tennessee were established by Peterson's recruits. Peterson has developed three players that have hit .400 or better in a season along with the school's season and career home run records. His 1997 squad established the all-time record for batting average with a .323 clip.

However, aside from wins and losses, Peterson has been instrumental in leaving the Blue Raiders' mark on college baseball in other ways. He brought home seven consecutive conference championships (either regular season or tournament) during one stretch and has guided his team to the NCAA Regional on six different occasions. During his tenure, Peterson has captured one Sun Belt crown, eight OVC titles, and seven OVC tournament titles. For his efforts, Peterson has twice been named OVC Coach of the Year.

He brought national attention to the program in the 2001 season as his team found itself in the national rankings for the first time since 1982.

His efforts were clearly in evidence during the magical 2001 season. The Blue Raiders established the single game attendance record at Reese Smith Field with a crowd of 2,733 on hand to witness the Blue Raiders' Friday night tilt against South Alabama. The team went on to set the season attendance mark as well with 26,218 coming through the gate at Reese Smith Field. Peterson's squad saw 10 crowds of 1,000 or more during the season.

If the team accolades and accomplishments aren't enough, consider that Peterson has coached a Sun Belt Player of the Year and six OVC Players of the Year, a Sun Belt Pitcher of the Year and an OVC Pitcher of the Year, a first team All-American, four third-team All-Americans, two freshman All-Americans, and 31 first team All-Conference players.

In terms of sending players to the next level, Peterson is second to none. Professional baseball has seen 40 former Peterson proteges pass through the ranks with four players logging time in the Major Leagues.

Aside from playing baseball for a living, numerous former players have entered the coaching profession. Currently 25 former Blue Raiders are coaching at the high school, college, or professional level.

He has also been responsible for the tremendous growth of Blue Raider baseball camps. Since taking over the camp program in 1984, Peterson has developed one of the area's premier camps with most sessions becoming sold out.

Peterson took two separate tours with the Blue Raiders as an assistant coach under Stanford prior to becoming the team's skipper. During his runs between 1976-78 and 1984-87, the Blue Raiders won two OVC titles and four southern division crowns.

During the interim, Peterson served as the head coach at Roane State Community College in Harriman, Tenn. During his tenure of 1978-1984, Peterson took his team to a Tennessee Junior College title in 1981 and was twice named TJCAA Coach of the Year (1981 and 1984).

While at Roane State, Peterson put together a sparkling record of 153-96, a .614 winning percentage.

His expertise also ranges away from on-the-field coaching. He is known as one of the top recruiters in the region and has a knack for keeping local talent close to home.

Peterson's reputation extends into fundraising as well. Events such as the annual Chuck Taylor Golf Tournament have become mainstays on the calendars of baseball supporters across middle Tennessee and have served to raise thousands of dollars for the improvement of Blue Raider baseball.

He spearheaded the effort to pay for the construction of the Stephen B. Smith Clubhouse and Indoor Training Facility, which opened its doors in 1998. One look around inside the facility shows the amount of time and effort spent toward this endeavor. It has become known as one of the finest collegiate clubhouses and training facilities in the entire country.

Reese Smith Field has also benefited from Peterson's fundraising abilities. He has helped transform the park into a fan-friendly area by expanding the seating area, putting up a new information center just inside the gate, and expanding the restroom and concessions facilities.

Peterson guided efforts during the summer of 2001 to expand the dugouts at Reese Smith Field. He is also currently spearheading an effort that would totally renovate the current stadium. The plans would call for a significant remodeling of the concession stand, improved and expanded restroom facilities, and a modern press box that would accomodate radio and television along with print media.

Peterson, a native of Huntsville, Ala., spent his playing days at Jacksonville State under the legendary Rudy Abbott where he stood out as a catcher. He earned his bachelor's degree from Jacksonville State in 1973 and later earned a master's degree from Middle Tennessee in 1977.

Peterson is married to the former Rita Albert and the couple has three children, Jill, Jenny, and John. Away from the diamond, he enjoys fishing for smallmouth bass.
