Young Signs with Blue Raiders

Kyle Young, a 6-10 forward from Marshall County High School, signed a National Letter of Intent to play at Middle Tennessee next season. Young was District and Region MVP last season while leading Marshall County to the Class AA State Tournament a year ago. He is on track to be among the top five scorers and top three rebounders in school history. Young already owns the school record for single game rebounding with 23.

TV Games Announced

One televised game remains for the Blue Raiders this season. MT will do battle with Western Kentucky on **Comcast Sports South** on **Feb. 23** in Diddle Arena in Bowling Green, marking the second regional telecast for the team this season. Glasper Redshirting

Junior guard **Derek Glasper** has elected to sit out the remainder of the season and pursue a medical redshirt. Glasper suffered a knee injury in the preseason and missed the team's first six games after undergoing surgery in an attempt to correct the problem. Glasper saw limited duty in two games, but the lingering effects of the injury have forced him to sit out the rest of the year.

Watson to Redshirt

Forward/Center Demario Watson has decided to take a redshirt season. The 6-8 native of Memphis will retain his senior year of eligibility for next season. The Blue Raider coaching staff has indicated that Watson will not play this season unless injury dictates that he return to active duty.

Gunn Named Honorable Mention

Sophomore **Tommy Gunn** was named to the **All-Sun Belt Conference Honorable Mention** list at the recent media day activities in New Orleans. Gunn, who averaged **9.2** points per game last season has continued his consistency so far. The Syracuse, NY, native tallied an average of nine points per game during the exhibition series.

Randy Wiel

Head Coach ◆ North Carolina '79 ◆ Sixth Season ◆ 81-86 (.485)

Randy Wiel (North Carolina, 1979) is in his fifth season as the head basketball coach at Middle Tennessee.

Wiel, who came to the Blue Raiders after serving as the head coach at UNC-Asheville for three years, has compiled a **81-86** mark at MT, including two 19-win seasons. He also led the Blue Raiders into the semifinals of the Ohio Valley Conference tournament in each of his first four years in Murfreesboro.

The St. Thomas, Curacao, native has also put his teams into the record books during his Blue Raider tenure. His teams can be found among the season leaders in rebounding margin, 3-point field goals made and attempted, and steals.

Individual honors have also come to players during the Wiel administration. He has coached two first team All-OVC Players, three second-teamers, and four honorable mention players. Wiel has also overseen one OVC Newcomer of the Year and one All-OVC Tournament performer.

Wiel, the 18th basketball coach in MT history, came to Middle Tennessee in the spring of 1996 with a wide array of athletic experiences. A four-year letterman at North Carolina, he built his foundation for coaching during a seven-year stint as an assistant under Dean Smith at UNC. During that time, the Tarheels won a national championship, two ACC titles, and reached the NCAA Tournament Sweet 16 each year.

He has also played and coached basketball at the collegiate and international level, competed in the Olympics as a swimmer, and participated in the prestigeous Pan American games.

Away from the court, Wiel is considered somewhat of a renaissance man. He plays the guitar, trumpet, and keyboards, speaks six languages fluently, and has won a national championship with his horse.

Wiel is married to the former Connie Hicks of Monroe, NC, and they have one child, Alexander. Wiel also has an older son, Udemar.

All three teams we have played so far have really spread us out and I am impressed with how we handled that and our consistency, especially in the second half. I hope our intensity I saw tonight carries over into Wednesday when we play IUPUI.

QUOTES

Blue Raider Head Coach Randy Wiel

We showed a lot of character and poise tonight, coming back from 10 points down in the second half. The team attacked well in the second half and that was something we didn't do in the first half. Being down by 10 at the half, I told them we had to come out in the second half and match IUPUI's intensity. We had too many mental errors in the first half and tried to get cute on the fast breaks. I am really proud of the team's effort and how they attacked their zone. I told them in the locker room that we needed to pound the boards, because that wins games. This game was our first big test, and the defense combined with good offense in the second half.

UNC-Greensboro is a very good team and I told the players if they let them come in and run their plays the way they wanted then they would dissect us. I have become less tolerant about mistakes with this team and expect them to come in and play to their ability.

I thought we battled and played hard tonight, especially in the second half. We tried to get the ball inside, but [Belmont] really jams it up in there and draw fouls. They just didn't give us anything inside. We got a lot of open shots early but we just couldn't get them to fall.

We turned the ball over some, but that's not the issue here. We're sputtering on offense and we need to get out of it. We need to have a combination of the inside and outside game and right now both parts are sputtering.

QUOTES

Blue Raider Head Coach Randy Wiel

This is the biggest team, as far as size, we will face. We knew we would have to rebound and play physically to win this game. Tonight is more indicative of how we want to play this season. We were due for a good offensive game and had to play good post defense tonight to open up our offense.

- The game marked the first played at Oman Arena for the Blue Raiders.

QUOTES

Jermale Wilkerson gives us some organization on the floor and he did a good job tonight. That is what we miss about Dee and Tommy. Those guys were out tonight, but I'm not going to use that as an excuse. I would have liked to have played with a lead a little longer, but they hit a three and the momentum went back to their side

QUOTES

TSU is a tough team to play because they are so athletic and push the ball well. I did not want to get into a running game with them because that is where they are dangerous. We stayed with our game plan by moving the ball around, being patient and taking good shots.

QUOTES

There were two plays that ultimately decided the game. They shot an air ball and we don't come up with the rebound, they hit a 3, and then we come down and get stripped and that leads to a layup. Those are two big plays. You have to make plays down the stretch. That's the bottom line.

QUOTES

The bottom line is we have to play better offensively. We need to be smarter. I don't know how many layups and free throws and open jump shots we missed. We got shots, we just didn't hit them. It has nothing to do with them. Us missing free throws and open jump shots had nothing to do with South Alabama.

QUOTES

Blue Raider Head Coach Randy Wiel

We've not been in situations on the road this year where we had to protect the lead. We have been the one chasing so it was a different role. We have played a lot of close games on the road this year though, and I think that helped us in this one.

QUOTES

Blue Raider Head Coach Randy Wiel

It was too little, too late, but I'm proud of how we battled back. We can't get down 11 and try to play catch-up on the other team's home court. We didn't get what we wanted out of some of the players and that's why Jermale (Wilkerson) played more in the second half. He played admirably.

Our first half execution was not what we wanted it to be, but credit Western Kentucky's great defensive effort. I Middle Tennessee and Western have the two best defenses in the league. Looking at the stats, everything was pretty even between us except the score. I think we need better guard play especially in critical game clock situations.

I have to give North Texas credit. They zoned us 40 minutes and we are not a good shooting team. I think they are a very athletic team, a team that plays very good man defense, but they saw something that made them believe a zone would be the way to go against us. We haven't had a game like that, and I'm hoping this was the only one.

QUOTES

Blue Raider Head Coach Randy Wiel

I told the team that tonight was a team effort. Everybody that played contributed. [John] Humphrey shot the ball real well, and Pippen played well coming off the bench. I was also impressed with Steven [Jackson] tonight. He got us some cheap baskets and he really defended well.

QUOTES

Blue Raider Head Coach Randy Wiel

I was worried to death about Zachery. This guy has range. I've seen him shoot the ball like you wouldn't believe. Tommy and Steven did a great job on him, especially in the first half when they didn't allow him to get the ball, but late in the game he had the ball from the outset. I like the way our guys are playing and the way they have responded to hard practices. We still are improving in some areas, but we are playing good basketball. We just need to maintain it.

QUOTES

Blue Raider Head Coach Randy Wiel

We started off the second half playing good, but then we went into a drop. We were getting shots but not converting them. Then, Slavtchev came in off the bench and hit three big threes. Of course he was covered, but he made them. I know Florida International, they everybody like that. Because of the way they play, they zone and keep the tempo down. You cannot get out and run on them.
