FOOTBALL

- Middle Tennessee enjoyed a magical ride to a 10-3 season that included a New Orleans Bowl championship, wins over Memphis, Maryland, and Southern Miss to go along with a seven-game win streak. The 10 wins are the most at Middle Tennessee since 1992 when that team also went 10-3 and the Blue Raiders became the first team in SBC history to win 10 games. MT was also one of just 21 teams nationally to own at least 10 wins in 2009 and one of just eight non-AQ teams. The Blue Raiders, who won five games away from Floyd Stadium for the first time since 1992, are just the eighth team in school history to record double digit wins (1957, 1959, 1965, 1984, 1985, 1990, 1992).
- Quarterback Dwight Dasher became the first bowl Most Valuable Player since the Blue Raiders joined the FBS ranks in 1999 with a record-setting performance in the Louisiana Superdome. Dasher accounted for 81 percent of the team's offense with 363 total yards and four touchdowns to lead MT to its first bowl win. Along with 162 passing yards, Dasher rushed for a career-high 201 yards to set a New Orleans Bowl rushing record. The 201 yards also went down as the most rushing yards by a quarterback in NCAA bowl history by breaking Vince Young's mark of 200 yards set against USC in the 2006 Rose Bowl.
- Quarterback Dwight Dasher became just the fourth player in NCAA history to gain at least 2,500 yards passing and 1,000 yards rushing in the same season when he put up 2,789 passing yards and 1,154 rushing yards in 2009. Texas' Vince Young was the first to join the club when he had 3,036 yards passing and 1,050 yards rushing in 2005, then Central Michigan's Dan LeFevour was next in line as he tallied 3,652 passing yards and 1,122 rushing yards in 2007. In 2008, Nevada's Colin Kaepernick threw for 2,849 yards and rushed for 1,130 to become the third member of the club.
- Middle Tennessee entered the Rick Stockstill era in 2006 with only two nationally televised football broadcasts in school history but that total jumped to 12 when the Blue Raiders defeated Southern Miss on ESPN in the New Orleans Bowl. The Blue Raiders played a school record three nationally televised games in 2006 and matched that mark with three in 2009. MT had two national broadcasts in 2007 and again in 2008. During their history, the Blue Raiders have played on ESPN three times, ESPN2 five times and ESPNU four times. The 10 national broadcasts for MT the last four years (under Rick Stockstill) is more than any team in the Sun Belt Conference during that span.
- Middle Tennessee ended the 2009 football season with its highest ranking in both the Associated Press and ESPN/USA Today Coaches Poll. The Blue Raiders received 12 votes in the ESPN/USA Today Coaches Poll, the most in school history, to end the year tied for 33rd nationally. The media gave Middle Tennessee four votes in the Associated Press Poll as the Blue Raiders finished 37th overall.
- Middle Tennessee completed the 2009 season with a seven-game winning streak which is its longest since 1985 when that squad went a perfect 11-0 in the regular season (MT did win 8 in a row from end of 2000 to beginning of 2001). The Blue Raiders will enter the 2010 season with the nation's third longest winning streak behind Alabama and Boise State (both at 14).
- The Blue Raiders registered a 7-1 Sun Belt Conference record in 2009 which went down as the most SBC wins ever for MT. The seven wins were the second most ever in a season by an SBC team and the 2009 Blue Raiders became just the fourth SBC team to win as many as seven games in a single season (North Texas, 2003, 2004, and Troy, 2009). The Blue Raiders were one of just 17 teams nationally to have at least seven league wins in 2009.
- The addition of offensive coordinator Tony Franklin definitely made an impact on the Blue Raiders as the 2009 offense put up the most points, total yards, and passing yards of any team in MT history. Franklin's first Blue Raider unit amassed a school record 5,482 yards of offense to rank 27th nationally for an average of 421.7 yards a game to go with 416 points. The 2009 offense scored at a 32.0 per game clip to rank 23rd nationally and it's the highest scoring average since the 2001 squad set a school mark with 37.1 points per contest. The unit was also the first team at MT to top the 3,000-yard mark in passing with 3,064 yards through the air. Only eight teams in school history have averaged

more than 30 points per game.

● The Blue Raiders recorded eight blocked kicks in 2009 to rank second nationally behind nine from SMU. MT bettered the previous best in the I-A era of five set in 2002 and six of the 2009 blocks came over the last five games. The Blue Raiders blocked five field goals and three punts in 2009 and the five blocked field goals went down as the most in the FBS era. Under Rick Stockstill, the Blue Raiders have blocked 14 kicks (6 punts, 7 FGs, 1 PAT) and have 34 total blocks in the FBS era (14 FGs, 12 punts, 8 PATs).

● Middle Tennessee had 12 tackles for loss in its final regular season game to break the single-season school record with 106. The Blue Raiders broke the previous mark of 105 set in 2006. MT added six more against USM in the New Orleans Bowl to finish the year with 112 to rank second nationally. The Blue Raiders had three players with 10 or more and 23 different players recorded at least one TFL during the season. Under defensive coordinator Manny Diaz, the Blue Raiders own the top three single-season TFL marks in school history and four of the top six.

● After four sacks in the regular season finale, the Blue Raiders set a new single-season record with 38.0 total sacks.
