conference play in a three-way tie for first in the Sun Belt Eastern Division with a record of 14-3. The win in game one against OSU in the NCAA Tournament snapped a 30-game winning streak for the Buckeyes.

Middle Tennessee picked its first All-American honor under Peck in sophomore Ashley Adams. Adams earned the honor after being named First Team All-Conference, Most Valuable Player of the Sun Belt Tournament and All-South Region.

In just his second year, Peck led the Blue Raiders to their first Sun Belt Tournament Championship match appearance since joining the league. Middle Tennessee's No. 2 seed in the tournament in 2005 and 10-2 record in Sun Belt matches is the best mark in school history, and the Blue Raiders 28 wins is a tie for second-most wins in school history.

With Peck at the helm, Middle Tennessee received a Sun Belt Defensive Player of the Year award in Alicia Lemau'u. It was also during Peck's watch that Ashley Adams became the first Blue Raider volleyball player in school history to be named AVCA National Player of the Week.

With 24 years of coaching experience, Peck has an overall career record of 605-225*. Prior to arriving at Middle Tennessee in February 2004, Peck spent nine seasons at the University of North Alabama.

Fans may notice evidence of several rule changes that have been implemented for the 2008 season. Here are some of the more significant changes.

Rule Changes

Coaches Position:When the ball is in play, coaches will be asked to stay at least 1.75 meters from the court's sideline. An imaginary line perpendicular to the outside edge of the extended attack line indicates this distance. If a coach doesn't comply, the referees may assess a team delay sanction.

Terminology: The term "game" will be changed to "set". A match still consists of the best three out of five sets.

Points Required to Win a Set: Instead of 30 points, the number of points needed to win sets one through four is now 25 (and a two-point lead). Fifteen points (and a two-point lead) is still the requirement to win the fifth (deciding) set.

Substitutions: Each team is now allowed a maximum of 12 substitutions per set.

Points of Emphasis

Ball Handling Decisions: In recent years, referee training has emphasized focusing on the player's contact point with the ball, and not allowing outside influences, such as spin after release, to influence ball handling decisions. A 2008 point of emphasis regarding the second team contact now instructs referees to only call multiple contacts that are obvious enough to be readily seen, and to be less severe when judging extremely athletic plays.
