MEN'S BASKETBALL

- The Blue Raiders added to an already historic season with their first postseason victory since 1989. The 86-78 win over Marshall marked the first postseason victory for MT since 1989 when the Blue Raiders earned a 97-83 win over Florida State in the NCAA tournament. The last time MT won an NIT game was in 1988 against Georgia in the tournament's second round, a game that also took place in Murfreesboro. Ironically, the team the Blue Raiders defeated in the first round of the 1988 NIT was Tennessee and with this year's win over UT, MT is now 2-0 against the Vols in the postseason. MT snapped a nine-game skid against the Vols and earned its first win at Tennessee.
- With the win over Marshall, the Blue Raiders became the first Sun Belt team to win a game in the NIT since WKU in 2005. The win over Tennessee makes MT the first Sun Belt team since UAB in 1989 to advance past the second round of the tournament. UAB made it all the way to the semifinals before falling to St. John's, then defeated Michigan State in the consolation final.
- With 27 wins this season, the Blue Raiders set a new single-season school record. MT had 23 wins four times, with the most recent coming in the 1988-89 season. The Blue Raiders also cracked the 20-win mark

for the first time since the 1990-91 season when they went 21-9. The last time MT cracked the 20-win mark during the regular season was the 1988-89 season when the Blue Raiders were 23-8, including three postseason victories.

● MT also set the record for most league wins in a season with 14. The Blue Raiders' previous record was 13 Sun Belt wins in 2009-10. MT's 37 league wins over the past three seasons are the most of any Sun Belt team.

● The Blue Raiders got off to a 4-0 start this season, marking the first 4-0 start since the 1994-95 season. It also marked the first time in program history MT defeated three Division I opponents to open the season. MT's 20-2 start marked the best in school history. It topped the previous mark of 18-2 in 1974-75. Additionally, MT's 13 wins before the new year are the most in school history, surpassing the previous mark of nine in 1991.

● MT's 10-0 Sun Belt start was the best conference mark in program history. The Blue Raiders broke the record of 9-0 set in the 1974-75 season as a member of the OVC.

● MT received votes for 11 consecutive weeks in the ESPN/USA Today Coaches Poll. The Blue Raiders also received votes in the AP Top 25 earlier twice during the 2011-12 season. MT garnered nine votes on Jan. 23 and also received two votes for the Nov. 21 edition of the AP poll. It marked the first time in program history the Blue Raiders have received votes in either poll.

● The Blue Raiders 12-game winning streak spanning from Dec. 10 through Jan. 26 was the longest since MT won a school-record 14 straight during the 1985-86 season. It ties the third-longest streak in school history, matching the 12-game mark during the 1980-81 season, and marks only the fourth time history MT has won at least 12 straight games.

● Head coach Kermit Davis became Middle Tennessee's all-time winningest coach in the Blue Raiders' 71-66 win over FIU on Dec. 29. It marked Davis' 165th victory at the helm of the Blue Raiders, surpassing former coach Jimmy Earle, who held the record with 164 wins. This season, Davis joins Earle, who spent a decade guiding the Blue Raiders, as the longest tenured coaches in program history.

● MT finished the season 11-4 on the road after starting the season 4-0 in away contests, marking the first time since 1967-68 the Blue Raiders won four straight road games to start the season. The last time MT won at least four consecutive road games in a season was 2006-07 when MT claimed five in a row during league play.

● The Blue Raiders' 11 road victories this season are the most in program history. MT had won nine road games three times in history, with the most recent coming in the 1997-98 season. With six road victories coming in league games this year, MT has collected 46 league road victories in the past 10 years, the most of any Sun Belt school.

● MT remained one of the hottest offensive teams in the country throughout the season and finished with the fourth-best field goal percentage in the nation. The Blue Raiders shot 49.5 percent, behind only Missouri, Creighton, and Iona.

● MT's shooting performance against UCLA on Nov. 15 was one for the ages. The Blue Raiders smashed the school record, shooting a 71.4 percent clip from the field and surpassing the previous mark of 68.9 percent set in 1981. Not only did MT set a record from the field, but the Blue Raiders also hit a Sun Belt record 90.9 percent of their 3-pointers against UCLA. The mark, also a school record, surpassed the previous league record of 90.0 percent set by UAB in 1986 and is tied for fifth in NCAA history.

WOMEN'S BASKETBALL

● Middle Tennessee played in its 15th NCAA Tournament, and third as an at-large bid, from the Sun Belt Conference. The Blue Raiders won the league's regular-season title with a perfect 16-0 mark, just the seventh unbeaten run by any program in the last 20 years in the conference and just one of eight schools to accomplish the feat nationally this season.

● The Blue Raiders earned perhaps the biggest win in program history when they defeated then-No. 6/6 Kentucky Dec. 28, 70-58. Over 5,000 fans witnessed the historic victory, one of two home crowds to reach the 5,000 plateau this year.

● MT put together a 20-game win streak from the Dec. 18 triumph over Tennessee State to the March 6 Sun Belt Tournament Championship versus UALR. The 20-game run was the second longest in program history.

● Head coach Rick Insell captured his third Sun Belt Coach of the Year honor and moved within eight of the program's career wins record.

● Insell also was announced as one of 10 inductees into the 2012 class of the Tennessee Sports Hall of Fame, his fourth Hall of Fame honor. The ceremony was held in May at the Renaissance Hotel in Nashville.

● Sophomore Ebony Rowe continued to set records in just her second collegiate season. An All-Sun Belt First Team pick, she also garnered WBCA All-Region 4 Team honors after averaging a double-double of 16.3 points and 10.1 rebounds and receiving a league-high four Sun Belt Player of the Week awards for the second-straight season.

● Rowe became the 26th member of the school's 1,000-point club at Western Kentucky Feb. 26 in the regular-season finale. She has since moved into 22nd place and her 1,069 points are the most in school history by a player through her sophomore season.

● Joining Rowe on the league's First Team was junior Kortni Jones after her breakout campaign saw her average a team-best 16.8 points. Jones connected on a single-season school and conference record 115 3-pointers and attempted a program and league standard 293 from behind the arc.

● Jones' 115 triples ties her for 10th on the all-time single-season NCAA list and placed her second nationally this season, only six behind Winthrop's Diana Choibekova.

● Another junior, Icelyn Elie, added All-Sun Belt Second Team accolades following a season in which she placed third on the team in scoring and second in rebounding.

● Both Rowe and Elie established a single-game program postseason record with 16 rebounds at Vanderbilt in the NCAA Tournament.

● Middle Tennessee was one of three finalists for the inaugural

Together We R Team Award, presented by the WBCA, for have strived to succeed in the face of adversity, overcoming extraordinary circumstances such as an unforeseen team crisis, barrier or unfortunate situation that caused extra stress.

CROSS COUNTRY/TRACK AND FIELD

- Blue Raider senior Justus David recorded the best finish (97th) at the NCAA Cross Country Championships since the school joined NCAA Division I.
- Justus David won the 2011 Sun Belt Cross Country individual men's championship (first Blue Raider since Geoffrey Lagat in 2001).
- Middle Tennessee freshman Lucy Kapkiai won three individual cross country event championships (most for a Blue Raider female since school joined Sun Belt).
- Lucy Kapkiai placed second in the women's race at the 2011 Sun Belt Cross Country Championships.
- Blue Raider women won first Sun Belt indoor team title since 2004.
- Ann Dudley became the eighth Blue Raider female indoor All-American and first in high jump.
- Cordairo Golden was named Sun Belt Indoor Male Field Performer of the Year (first since Carl Morgan in 2009).
- The Blue Raiders collected a total of five individual event titles at Sun Belt Indoor Championships.
- Middle Tennessee broke three school records during the indoor season.
- Middle Tennessee broke four school records during the outdoor season.

BASEBALL

- MT recorded its third consecutive victory over Tennessee on May 15 with an 11-4 win against the Volunteers. It's the longest streak since the Blue Raiders won four straight over UT from 1987-88. MT defeated the Vols on their home turf earlier in the season as well. The Blue Raiders earned a 5-4 10-inning victory in Knoxville on Feb. 28, marking the first win at UT since 1994.
- Third baseman Hank LaRue was named the Sun Belt Player of the Week on May 7, marking the first weekly award of his career. LaRue hit .727 and slugged 1.091 in three games against FIU. He recorded multiple hits in all three games and hit a three-run homer in the second game. LaRue joined Hunter Adkins as the two Blue Raiders to earn weekly honors in 2012.
- After tossing a complete game shutout against Ohio on Feb. 24, junior Hunter Adkins became the first Sun Belt honoree of the season for MT, taking home his second career Pitcher of the Week award. Adkins was the first to throw nine scoreless in a game since both Chad Edwards and Kenneth Roberts accomplished the feat in May of the 2010 season.
- Robert Lawrence ripped two triples against Troy on April 13, becoming the first Blue Raider since Jason Maxwell in 1993 to have a pair of three-baggers in a game. Ryan Stephens also had a triple in the Troy contest, giving MT three total in the game. It was the first time the Blue raiders landed three triples in a contest since the Lipscomb game on March 6, 2002, when Chad Cooper, Brett Carroll and Chuck Akers each produced a triple.
- MT's offensive outburst against South Alabama was one of the best in program history. The Blue Raiders recorded 55 hits over the three-game set, the most in a single series since joining the Sun Belt in 2001. MT also produced back-to-back games of 20 or more hits for the first time since May 5-6, 2008, when the Blue Raiders had 21 against Austin Peay then 20 against Mississippi State. The 22 hits and 17 runs on Sunday (April 1) were the most since MT recorded 22 hits and 20 runs against New Orleans on May 15, 2010. The Blue Raiders followed that up with a 21-hit performance at Troy on April 13, making it three straight conference road games of at least 20 hits. The last time MT had three games of at least 20 hits in a season was 2010, however, the Blue Raiders had never accomplished the feat in three conference games.
- Johnathan Frebis threw his first career complete game against South Alabama on March 31, becoming the third different Blue Raider to toss a complete game in 2012. It marked the first time since 2010 that MT had three different starters toss at least one complete game. All nine starters recorded a hit in the April 1 win over South Alabama, marking the first such occurrence since MT's 9-4 win at Kentucky on March 9, 2010.
- Middle Tennessee turned 61 double plays in 2012, the 14th most in the country. The Blue Raiders' average of 1.03 double plays per game ranked 15th nationally.
- Johnathan Frebis opened some eyes against Saint Louis in the second game of the season. Making his collegiate debut, Frebis pitched five scoreless innings before walking off the mound with a 1-0 lead. Dating back to 1988, MT's first year under Steve Peterson, Frebis became the only player to pitch at least five frames without allowing a run in his first career appearance. Frebis' individual glory was short-lived, however, as junior Jonathan Sisco bettered the outing just a few days later in his own collegiate debut at Lipscomb, also going five innings without allowing a run. The Murfreesboro native struck out five and retired the first 11 batters he faced in order.
- MT returned to the conference tournament after missing the 2011 edition and thrived in the pool-play format. After falling to Arkansas State in the opener, the Blue Raiders picked up back-to-back victories over FIU and Troy. Paul Mittura delivered a career performance against the Trojans, tossing 5.1 innings, his longest career outing. Mittura gave up one run, which was unearned, on three hits while fanning a career-high four batters to pick up his fourth win of the season.

WOMEN'S GOLF

- For the third straight season, the Middle Tennessee women's golf team matched a school record, finishing second at the Sun Belt Championship.
- Head Coach Chris Adams became the first in school history to earn the Sun Belt's Coach of the Year honor.
- Karisa Akin and Ashley Haggard were voted to the All-Sun Belt Team

after the event, marking the fourth time that a pair of MT teammates have taken home the honors, and the first since Akin and Morgan Hale accomplished the feat in 2010.

● Akin joined former Blue Raiders Tamara Munsch and Taryn Durham as the only golfers in school history to earn a place on the all-conference team three times.

● Akin also became the first Sun Belt Golfer of the Month for MT since 2010. It marked just the fifth time that a Blue Raider has garnered the accolades.

● Akin hit a hole-in-one at the UALR Women's Classic.

● With individual titles at both the Blue Raider Invitational and UALR Women's Golf Classic, Akin joined Durham as the only golfer to boast of multiple individual titles. At the UALR Women's Classic, the senior finished the three-day event with a one-under 215, just one stroke shy of the best score in school history. Both titles mark the first three-round tournament championships for a Blue Raider golfer since Durham took home the 2007 FIU Pat Bradley Invitational.

● As a team, Middle Tennessee picked up its eighth-ever event title, winning the Blue Raider Invitational in October. The event was the first-ever home tournament for MT.

MEN'S GOLF

● Team was named the National Team of the Week on Sept. 27 by Golfweek.com.

● Middle Tennessee made its fifth straight trip to the NCAA Regionals and sixth overall since the regional format began in 1989. The Blue Raiders also played in the 2000, 2008, 2009, 2010, and 2011 NCAA Regionals.

● The NCAA Men's Golf Selection committee was impressed with the Blue Raiders' 2011-12 season enough to give them a No. 8 seed at the Norman Regional. It ranked as the second straight year Middle Tennessee has earned the No. 8 seed. The highest seed ever for Middle Tennessee came in 2010 as a No. 7 seed. In 2000, MT was seeded 14th, then in 2008 had a No. 19 seed, and climbed to a No. 11 seed in 2009. In 2010 they were No. 7 and garnered a No. 8 seed in 2011 and 2012.

● Senior Hunter Green saved his best for last. Green's 72.1 stroke average, the best of his career, led the Blue Raiders and the Sun Belt Conference while ranking in the top 100 nationally. Green had two wins, six top 10 finishes, and had 16 rounds of even par or better. Green registered a par or better round in nine of his 11 tournaments and had two par or better rounds in six tournaments.

● The Blue Raiders won two tournaments in 2011-12 (Mobile Bay Intercollegiate and the Mason Rudolph).

● Senior Hunter Green and sophomore Brett Patterson were both honored as First Team All-Sun Belt Conference performers in 2011-12. It marked the third honor for Green (2010, 2011, 2012) and the second for Patterson (2011, 2012).

WOMEN'S TENNIS

● Middle Tennessee, despite its third head coach in as many seasons, put together one of its best years in recent memory and finished with a 15-7 record under first-year head coach Shelley Godwin.

● The Blue Raiders earned a bye at the Sun Belt Championships for the first time in program history. MT entered the 12-team field as the No. 3 seed, its highest since 2004, and reached the semifinals.

● Four players (senior Marietta Bigus, junior Lexi Brand, freshman Nayara Moraes and sophomore Flavia Nagayama) each reached the 20-win plateau in singles action, combining the fall and spring campaigns. It marks the most Blue Raiders to accomplish the feat in a year since five did so in 1999-2000.

● It marked the first time since 2005-06 more than one player achieved at least 20 singles victories during the combined fall and spring seasons.

● Middle Tennessee's 15 wins are the most by the program since the 2000 squad earned a 21-9 record. It had equaled last year's victory total by March 10 with a 7-0 triumph over Murray State.

● MT owned an eight-match win streak, the longest since 2000, when it did not lose from March 3 through April 3, including a four-match homestand.

● For the first time since 1998, and only the third time in program history joining the 1994 squad, Middle Tennessee finished with an unbeaten home ledger at 6-0.

● The Blue Raiders won the doubles point in 12 contests, posting an 11-1 mark when taking the early 1-0 lead.

● The three 7-0 shutout triumphs were the most in a single season since 2008.

● For the first time since 2006, two different Middle Tennessee players earned Sun Belt Player of the Week awards in the same season when junior Yuiri Nomoto (March 28) and sophomore Flavia Nagayama (April 4) collected the hardware. It also marked the first time since 2006 the Blue Raiders were presented with the honor in back-to-back weeks.

● Nomoto became just the third player in school history to receive Sun Belt Player of the Week plaudits more than once in her career, joining Manon Kruse (six times) and Ann-Kristin Siljestrom (two times).

● Senior Alex Dachos began the spring campaign tied for 125th in the national Campbell's/ITA rankings.

● Middle Tennessee defeated Florida Atlantic for the first time in program history with a 4-3 road win March 3 in Boca Raton, Fla.

MEN'S TENNIS

● The Blue Raiders made their 11th NCAA Championship appearance and third in the last four years. In just the second season under the direction of head coach Jimmy Borendame, MT earned its second consecutive NCAA bid after winning back-to-back Sun Belt tournament titles.

● MT is the first Sun Belt team to win back-to-back since South Alabama accomplished the feat in 2007 and 2008. The back-to-back tournament titles are also the first since the Blue Raiders won two straight Ohio Valley Conference tournaments in 1997 and 1998.

● The 2012 campaign has been the best in 15 years, as the Blue Raiders amassed 19 wins, the most since 1997 when MT finished 24-5. MT

only dropped three matches over the final two months of the season, a 17-match stretch, with each of those losses coming to nationally ranked opponents.

- The Blue Raiders defeated seven nationally ranked teams this season and worked their way up to No. 46 in the nation, the highest ranking since 2006 when MT finished the season ranked 33rd.
- Borendame became the first Sun Belt coach to win back-to-back Coach of the Year accolades since Danny Westerman at Denver did so in 2007 and 2008. He also is the second Blue Raider coach in program history to earn consecutive conference awards, joining former coach Dale Short. Short won seven consecutive Ohio Valley Coach of the Year honors spanning from 1991-97.
- A trio of Blue Raiders also earned conference accolades this year. Ben Davis took home All-Sun Belt singles honors for the second year in a row and received doubles recognition as well, along with partner Christoph Lang. Davis has won 11 singles matches in a row, while the tandem has won nine of its last 10. Matthew Langley was named the tournament's Most Outstanding Player for the second consecutive season. Langley won all three singles matches in the No. 2 spot at the tournament and has claimed victory in 10 of his last 11 matches.

SOFTBALL

- Middle Tennessee hit a school-record 41 home runs.
- Sophomore second baseman Kayla Toney became the eighth Blue Raider to earn First-Team All-Sun Belt honors.
- Senior first baseman Kaycee Popham moved into first place on the school's all-time putout list (1,284).
- Blue Raiders collected three walk-off victories during the 2012 season.
- Four Middle Tennessee pitchers recorded at least 35 innings pitched which is the highest total since 2006.
- The Blue Raiders notched their highest team batting average (.272) since 2007.
- The Blue Raiders logged their highest team slugging percentage (.424) since 2004 which is the second highest in school history.
- The Blue Raiders had three players hit .325 or better for first time since joining Sun Belt.

VOLLEYBALL

- Middle Tennessee participated in a sixth straight NCAA Tournament, continuing both a school and Sun Belt record for most consecutive trips to the Big Dance.
- Ashley Adams was honored on December 14 with AVCA All-America Honorable Mention honors, marking the sixth straight season that a Blue Raider has been recognized. Since the 2006 season, nine MT players have been honored as such, more than any other Sun Belt school over that time. Adams, along with Maria Szivos, also earned AVCA All-South accolades.
- The trio of Ashley Adams, Maria Szivos and Oyinlola Oladinni each made return trips to the All-Sun Belt team after earning the honors last year. Both Adams and Szivos earned a spot on the First Team for the second consecutive year, and Oladinni picked up her third straight Second Team selection. Both Adams and Oladinni earned All-Sun Belt Tournament as well.
- After tying a school record with 14 consecutive victories in the 2010 season, the Blue Raiders surpassed the mark in 2011, running off 16 straight victories after a 2-9 start to the season.
- Middle Tennessee was particularly impressive at the net in Sun Belt play this season, holding conference foes to a league-best .127 attack percentage. Over the course of MT's 16-match winning streak the Blue Raiders actually held six consecutive SBC opponents to an attack percentage under .100.
- Ashley Adams became just one of two Blue Raiders to have three 20+ kill matches in a season since the start of the 25-point rally scoring era. The only other to accomplish the feat was former outside hitter Izabela Kozon. Adams also posted 17 solo blocks for the season, one shy of KeKe Deckards rally scoring era record, set in the 2004 season.
- Four Blue Raiders reached statistical clubs this season, led by the duo of Brynne Henderson and Oyinlola Oladinni. Henderson surpassed the 1,000 dig mark on Oct. 11 against Marquette, ultimately finishing the year with 1,157, which ranks eighth in school history. Oladinni tallied eight kills in the loss to Ohio State in the NCAA Tournament to end her career with 1,003, becoming just the 12th player in program history to pass the 1,000 kill plateau. Seniors Maria Szivos and Alyssa Wistrick carried impressive attacking resumes into their final two seasons at MT, ending their careers with 1,298 and 1,067 kills, respectively.
