Dear Sixth Man Member,

It truly has been a fantastic summer for our players and staff on and off the floor! The NCAA has allowed us two hours per week for eight weeks on the floor with our team. Great progress has been made by both our newcomers and returning players in all areas of fundamentals and team chemistry.

We have 11 returning lettermen and eight players that started at one time during our 2012 championship year! We have also added two very talented recruits that will blend in very well with this experienced group.

We had the sixth largest increase in attendance in college basketball last year, making Murphy Center one of the toughest environments to play in!! Our 2012-2013 home season ticket package is fantastic, with the likes of Ole Miss, UAB, Vanderbilt, Tennessee State and a full slate of ten Sun Belt regular season games. Our goal is to have one of the largest increases in season ticket sales in the history of Middle Tennessee basketball!!

The Sixth Man Club has been a vital part of our program's growth for the last ten years, related to facility improvements and player development! Your support of the Sixth Man Club is greatly needed and truly appreciated by all of our players, staff and administration! Join the Sixth Man Club, get your season tickets, and together we can experience a tremendous level of excitement in Murphy Center!!
