MIDDLE TENNESSEE

BLUE RAIDER TENNIS CAMPS

This will be the third Blue Raider Tennis Camp at Middle Tennessee State University for men's tennis head coach Jimmy Borendame and the second for women's tennis coach Shelley Godwin. The staff will take a personal interest in each camper and take pride in providing an outstanding camp environment.

Each camper will receive a camp t-shirt. Furthermore, each camper will get tips and instruction to improve their tennis. We will personally see to it that each camper will learn something to improve their game.

The focus of each camp session is on safety, providing strong fundamental tennis instruction and creating a culture where each camper is encouraged and empowered to learn and improve while having fun. Our number one goal is to make sure each camper has a great camp experience, and our secondary goal is to see each camper improve as a tennis player.

We look forward to seeing you this summer!
