5th straight trip for Blue Raiders

Middle Tennessee is making its fifth straight trip to the NCAA Regionals this year and sixth overall since the regional format began in 1989. The Blue Raiders also played in the 2000, 2008, 2009, 2010, and 2011 NCAA Regionals.

Blue Raiders match program's second highest seed

The NCAA Men's Golf Selection committee was impressed with the Blue Raiders' 2011-12 season enough to give them a No. 8 seed at the Norman Regional. It ranks as the second straight year Middle Tennessee has earned the No. 8 seed. The highest seed ever for Middle Tennessee came in 2010 as a No. 7 seed. In 2000, MT was seeded 14th, then in 2008 had a No. 19 seed, and climbed to a No. 11 seed in 2009. In 2010 they were No. 7 and garnered a No. 8 seed in 2011 and 2012.

Middle Tennessee in the national rankings

Middle Tennessee enters the NCAA Regionals ranked 47th in the latest Golfweek/Sagarin ratings poll and 48th by Golfstat.

Green, Patterson earn all-conference honors

Senior Hunter Green and sophomore Brett Patterson were both honored as First Team All-Sun Belt Conference performers in 2011-12. It marks the third honor for Green (2010, 2011, 2012) and the second for Patterson (2011, 2012).

Green strong in senior year

Senior Hunter Green saved his best for last. Green's 71.9 stroke average, the best of his career, leads the Blue Raiders and the Sun Belt Conference while ranking in the top 70 nationally. Green owns two wins, six top 10 finishes, and has 16 rounds of even par or better. Green has registered a par or better round in nine of his 10 tournaments this season and had two rounds in six tournaments.

Simons rebounds

Senior Brad Simons, who did not play in a single fall tournament, made a strong comeback in the spring. Simons, who is making his third NCAA appearance, played in all seven events and registered a career-best 73.6 stroke average while having six of his 19 rounds at even par or better. Simons had two top 10 finishes, including a personal- best second place showing at the Argent Financial Classic.

Patterson is Mr. Consistency

Sophomore Brett Patterson, who became the first Blue Raider in school history to compete in the U.S. Open Championship last year, has been a model of consistency in his two seasons at MT. Patterson's 72.8 career stroke average is tops on the team. In 62 career rounds, 31 have been even par or better and in eight career postseason rounds, seven have been 74 or better.

Jennings opened the year in the top five at the Carpet Capital Collegiate in September then missed the next five tournaments. In late March, Jennings earned his way back into the lineup and promptly finished 10th at the BancorpSouth Intercollegiate. Jennings had rounds of 71-71 for a 2-under par total. Turnbow has guided the Blue Raiders to their first SBC Championship in program history (2009), five NCAA Regionals and one NCAA National Championship appearance. He played for the Blue Raiders from 1996-2000. In 58 career tournaments as head coach, the Blue Raiders have grabbed 36 top five finishes and 15 wins.

WHIT TURNBOW

Head Coach

Fifth season
Middle Tennessee, 2000
(Three-time SBC Coach of Year)

In his fifth season at the helm, Whit Turnbow has led the Middle Tennessee golf program to unprecedented success with five straight NCAA appearances. Turnbow was named the program's sixth head coach by Director of Athletics Chris Massaro in July 2007.

In five years at the helm, Turnbow has led the Blue Raiders to five NCAA regionals, one NCAA National Championship appearance, a Sun Belt Conference championship, been named the league's coach of the year three times, and guided the program to a No. 25 ranking during Fall 2009. The team also earned the program's highest ever seed in the 2010 NCAA Regionals at No. 7.

He has also had players win 12 first team all-conference honors, three National Player of the Week awards, and had one to make the World University Games.

Middle Tennessee won its first SBC Golf Championship in 2009, weeks after Turnbow's Blue Raiders shocked the field to win the Callaway Collegiate Match Play Championship. Turnbow was named SBC Coach of the Year for the second time in as many years.

Turnbow led Middle Tennessee to a top-40 national ranking and its first-ever at-large berth in an NCAA Regional in 2007-08. Once there, the Blue Raiders advanced to the NCAA Division I National Championships for the first time (as a Division I member) in West Lafayette, Ind. Middle Tennessee continued to make history at the National Championships when the Blue Raiders made the 15-team cut to play on the final day.

Middle Tennessee won a school-record five tournaments under Turnbow in 2007-08, including four straight - also a school record for most consecutive tournament titles. The Blue Raiders were an astounding 142-54 during Turnbow's debut season. For his efforts, Turnbow was named the Sun Belt Conference and Eaton Golf Pride Southeast Regional Coach of the Year.

Middle Tennessee was named Golfweek's National Team of the Week three times in 2007-08 and freshman Jason Millard earned All-American honors, while teammates Chas Narramore and Rick Cochran earned All-Sun Belt first-team honors under Turnbow's tutelage.

Although Turnbow is in his fifth season as head coach, he is no stranger to the program. He was a substantial part of the Middle Tennessee golf program both as a player and assistant coach for nine years - four as a player and five seasons (2002-07) assisting the men's and women's programs.

Turnbow replaced long-time coach Johnny Moore, who was in the position 18 seasons and coached Turnbow. Massaro pointed toward Turnbow's leadership, recruiting ability and maturity when making the decision to elevate him to head coach.

Turnbow's Blue Raiders turned in a 38-19 mark against a rigorous fall schedule in 2007-08, capturing a team championship at the Jaguar Intercollegiate and finishing fifth out of 17 teams in the fall opener at the Scenic City Invitational. Turnbow's team came up big in its second tournament under him as a head coach when it shot an astounding 38-under 826 on the way to shattering the previous school record of 853 for best three-round tournament.

Turnbow was responsible for recruiting and signing each Blue Raider golfer in the program in 2007 when Middle Tennessee fashioned a 115-29-2 record and was ranked among the top 50 nationally in the Golfstat rankings. The 2007 Blue Raiders turned in 10 top-5 finishes including finishing third or higher in the final six tournaments of the spring.

It should come as no surprise that Turnbow is vastly respected by his peers in coaching circles because of his contributions to the development of young talent.

Turnbow was a four-year letterwinner as a golfer at Middle Tennessee from 1996 to 2000, and he helped lead the 2000 team to the Ohio Valley Conference Championship and a berth in the NCAA Regional.

The Blue Raiders were ranked 45th nationally after winning the OVC. Golfweek magazine ranked Middle Tennessee 46th and MasterCard Collegiate had the team ranked 50th, marking the first time in program history that the Blue Raiders ended the season ranked in the Top 50 in both major polls.

During his playing career at Middle Tennessee, Turnbow played in 31 tournaments with three top-10 finishes. He maintained a 76.4 scoring average throughout his four years. He debuted with two top-10 finishes as a Blue Raider - finishing tied for ninth at the USF/Ron Smith Invitational and a sixth-place finish at the Southern Junior/Senior. He competed in all 11 tournaments as a sophomore and shot a career-low round of 69 at the USF/Ron Smith Invitational, good enough to place him eighth in the tournament. He managed to own the lowest scoring average on the team (75) despite being one of the youngest players on the squad. His success continued into his junior year, when he again fired a career-low 69 at the Matlock Invitational.

He also had a round of 70 at the Fall Beach Classic, where he finished 20th. He competed in eight tournaments during his senior year, including the team's victory at the OVC Championships and the NCAA East Regional.

Following his collegiate playing days, Turnbow spent three years (2000-02) competing professionally. He participated in the Hooters, Hurricane and Developmental Players tours.

Turnbow was named the TrueTemper/TPGA Assistant Professional Player of the Year in 2001. He was the low professional at the Tennessee Open in 2001 and 2007 and placed fifth at the Harold Eller Pro-Am, the Coca-Cola Open and the Wilson Ez-Go Open. He was also low pro at the 2006 Honors/Council Fire Pro-Am. During his professional time, Turnbow worked at Lakewood Golf and Country Club in Tullahoma, Tenn., as an assistant to Chuck Lynch. He was the Junior golf director at Lakewood and started the first Junior program at the Fayetteville Country Club.

Turnbow is certified as a golf conditioning specialist by GMP Fitness, and he was nominated for the TaylorMade/Adidas National Assistant Coach of the Year award in 2004.

Turnbow's experience on the course provides a great deal of assistance and he continues to maintain the winning tradition at Middle Tennessee. Turnbow and his wife, Lori, have a 4-year-old daughter named Reagan. They reside in Murfreesboro. Lori, a physical education teacher at Reeves-Rogers Elementary School, is a 2000 graduate of Middle Tennessee.
