Blue Raiders sign nine for the 2014 season

MURFREESBORO, Tenn. - Blue Raider baseball head coach Jim McGuire has announced the signing of nine student-athletes for the class of 2013.

"Tremendous job by Coach (Scott) Hall, Coach (Skylar) Meade and Coach (Brandon) Nolen in putting together the largest early signing class in program history," McGuire said. "There's a very good balance of high school and junior college players that fill our needs in losing such a large senior class after this year. With such a short turnaround time for the new coaches coming into this process, to sign nine players of this caliber in the early period shows their diligence and passion for moving Middle Tennessee baseball forward."
