# Gameday Information

When: March 12-13, 2002; 7 PM; 2 PM CST Site: AutoZone Park; Memphis, TN

TV: None Radio: None

**Series Notes:** The Blue Raiders and Tigers renew their traditional series this week ... this series

will mark the first games in AutoZone Park for the Blue Raiders ... last season saw Middle Tennessee take the season series between the teams 2-1 ... three Blue

Raiders hail from Memphis suburb Germantown.

### Seven Games; Eight Days

The Blue Raiders have embarked on a marathon stretch of the schedule this week. The team will play seven games in eight days dating back to Sunday's home win over Tennessee Tech. The team played Tech again yesterday and will take on Memphis twice over the next two days. The team will take off on Thursday before playing three games against Southwest Missouri beginning on Friday.

### Freshmen Have Big Series

Freshmen Josh Archer and Nate Jaggers turned in a great series against Tennessee Tech. The freshmen combined for a .615 average during the two game stretch with Archer leading all hitters durinf the two games with a .600 average. Both players had a double and a home run while driving in two runs each. Jaggers' homer against Tech on Sunday was the first of his career while Archer posted his third career round-tripper.

### Fielding Woes Continue

The Blue Raiders are usually known for their solid defense, but the last three games have been anything but solid performances in the field. Over the past 27 innings of play, the Blue Raiders have committed 19 errors, leading to 15 unearned runs for the pitching staff. The Blue Raiders have now committed 32 miscues on the year and have tallied a fielding percentage of .930.

### Hitting Streaks Continue

The Blue Raiders with the longest active hitting streak extended them against Tennessee Tech yesterday. Marshall Nisbett went 2-for-5 to move to nine games while Brett Carroll was 1-for-4 to push his streak to seven games. Doug Kunicki, who owns a six game streak, did not travel with the team to Cookeville due to class conflicts, thus did not lengthen his streak in the game.

### Capone Gets First Start

**Joe Capone**, a sophomore transfer from Churchville, PA, got his first career start against Tennessee Tech on Monday. Capone filled in at first base for **Doug Kunicki**, who did not make the trip due to class conflicts. Kunicki had started each of the team's 10 prior games at first base.

### Harp Could Be in Lineup

Sophomore catcher **Troy Harp** was released by doctors last week and could be inserted into the lineup as early as Tuesday's game at Memphis. Harp underwent surgery to put a plate in his wrist after breaking it during the holidays. Harp experienced some pain in his elbow after beginning to throw last week, but an MRI has revealed no damage, and Steve Peterson has indicated that Harp could return to action as early as this week.

### Akers Running Wild

Sophomore outfielder **Chuck Akers** is leading the team in stolen bases with **six** and has yet to be caught by an opposing defense. Akers is certainly ahead of his steals pace from a year ago when he swiped 13 bags in 16 attempts. Last season, Akers was second on the team in steals, ranking behind only Josh Renick's 24.

### Swing Cleared by Doctors

Freshman reliever **Chase Swing**, who had been experiencing pain in his upper right arm, underwent a bone scan on Monday to check for evidence of a stress fracture. The scan was negative, and doctors have cleared Swing to pitch as tolerated. He will accompany the team on the Memphis trip, but his status in the bullpen has not yet been determined.

### This and That

Middle Tennessee's starting pitchers are **5-2** on the year ... Steve Peterson is **22-21** against Memphis ... the Blue Raiders' series against the Tigers marks the only scheduled games against C-USA this season ... the Blue Raiders are on pace to hit 10 more home runs that a year ago.

#### Peterson Gets 600th Win

Head coach Steve Peterson picked up his 600th career head coaching victory in the Thursday doubleheader sweep of Eastern Michigan. The second game win gave the 15th-year Blue Raider skipper his 600th win. He has accumulated 447 of those as the head man at Middle Tennessee. Peterson's remaining 153 wins came while he was at the helm of the Roane State program. Peterson's first win last season (No. 403) made him the winningest coach in Middle Tennessee history.

### Opening Day Record

The Blue Raiders have been a part of several records over the past year or so, but one more came the team's way on February 17. The largest crowd to ever see an opening day game was on hand at

Reese Smith Field. The announced attendance of **2,317** is the third-largest crowd to ever gather at the Blue Raiders' home park.

### Sun Belt Tournament

This year's Sun Belt Conference baseball tournament will be held in Mobile, Ala., at South Alabama's Stanky Field. The event is slated for May 22-25 and will determine the league's automatic qualifier into the NCAA Tournament. Tickets may be purchased by calling the South Alabama Ticket Office.

# Steve Peterson

## Head Coach ◆ Jacksonville State '73 ◆ 15th Season ◆ 450-350-2 (.561)

Steve Peterson is the personification of Middle Tennessee baseball.

After 14 years as the team's skipper, Peter-son has become the program's winningest coach with a record of 450-350-2.

In fact, Peterson has produced eight seasons with 30 or more wins, including a school record 42 victories during the 1990 slate.

Long known for his keen managerial mind, Peterson teaches a hard-nosed and aggressive style of baseball. His personable demeanor has made him a big hit among fans, boosters, players, and recruits alike.

Peterson also adheres to the philosophy that defense and pitching wins championships. He has long been known for outstanding defensive teams, and the Blue Raiders have featured some of the area's most feared hurlers throughout the years.

Peterson has seen three of his pitchers earn All-America honors, including the only First Team All-American in school history, Dewon Brazelton. Under his watch, the Blue Raiders have seen eight single season and eight career pitching records established.

The offensive output of the team has not been ignored under Peterson. Most of the offensive records held at Middle Tennessee were established by Peterson's recruits. Peterson has developed three players that have hit .400 or better in a season along with the school's season and career home run records. His 1997 squad established the all-time record for batting average with a .323 clip.

However, aside from wins and losses, Peterson has been instrumental in leaving the Blue Raiders' mark on college baseball in other ways. He brought home seven consecutive conference championships (either regular season or tournament) during one stretch and has guided his team to the NCAA Regional on six different occasions. During his tenure, Peterson has captured one Sun Belt crown, eight OVC titles, and seven OVC tournament titles. For his efforts, Peterson has twice been named OVC Coach of the Year.

He brought national attention to the program in the 2001 season as his team found itself in the national rankings for the first time since 1982.

His efforts were clearly in evidence during the magical 2001 season. The Blue Raiders established the single game attendance record at Reese Smith Field with a crowd of 2,733 on hand to wit-

ness the Blue Raiders' Friday night tilt against South Alabama. The team went on to set the season attendance mark as well with 26,218 coming through the gate at Reese Smith Field. Peterson's squad saw 10 crowds of 1,000 or more during the season.

If the team accolades and accomplishments aren't enough, consider that Peterson has coached a Sun Belt Player of the Year and six OVC Players of the Year, a Sun Belt Pitcher of the Year and an OVC Pitcher of the Year, a first team All-American, four third-team All-Americans, two freshman All-Americans, and 31 first team All-Conference players.

In terms of sending players to the next level, Peterson is second to none. Professional baseball has seen 40 former Peterson proteges pass through the ranks with four players logging time in the Major Leagues.

Aside from playing baseball for a living, numerous former players have entered the coaching profession. Currently 25 former Blue Raiders are coaching at the high school, college, or professional level.

He has also been responsible for the tremendous growth of Blue Raider baseball camps. Since taking over the camp program in 1984, Peterson has developed one of the area's premier camps with most sessions becoming sold out.

Peterson took two separate tours with the Blue Raiders as an assistant coach under Stanford prior to becoming the team's skipper. During his runs between 1976-78 and 1984-87, the Blue Raiders won two OVC titles and four southern division crowns.

During the interim, Peterson served as the head coach at Roane State Community College in Harriman, Tenn. During his tenure of 1978-1984, Peterson took his team to a Tennessee Junior College title in 1981 and was twice named TJCAA Coach of the Year (1981 and 1984).

While at Roane State, Peterson put together a sparkling record of 153-96, a .614 winning percentage.

His expertise also ranges away from on-thefield coaching. He is known as one of the top recruiters in the region and has a knack for keeping local talent close to home.

Peterson's reputation extends into fundraising as well. Events such as the annual Chuck Taylor Golf Tournament have become mainstays on the calendars of baseball supporters across middle Tennessee and have served to raise thousands of dollars for the improvement of Blue Raider baseball.

He spearheaded the effort to pay for the construction of the Stephen B. Smith Clubhouse and Indoor Training Facility, which opened its doors in 1998. One look around inside the facility shows the amount of time and effort spent toward this endeavor. It has become known as one of the finest collegiate clubhouses and training facilities in the entire country.

Reese Smith Field has also benefited from Peterson's fundraising abilities. He has helped transform the park into a fan-friendly area by expanding the seating area, putting up a new information center just inside the gate, and expanding the restroom and concessions facilities.

Peterson guided efforts during the summer of 2001 to expand the dugouts at Reese Smith Field. He is also currently spearheading an effort that would totally renovate the current stadium. The plans would call for a significant remodeling of the concession stand, improved and expanded restroom facilities, and a modern press box that would accomodate radio and television along with print media.

Peterson, a native of Huntsville, Ala., spent his playing days at Jacksonville State under the legendary Rudy Abbott where he stood out as a catcher. He earned his bachelor's degree from Jacksonville State in 1973 and later earned a master's degree from Middle Tennessee in 1977.

Peterson is married to the former Rita Albert and the couple has three children, Jill, Jenny, and John. Away from the diamond, he enjoys fishing for smallmouth bass.
