MIAMI, Fla. - Chrissy Givens scored a season-high 32 points and Amber Holt added 19, as 21st-ranked Middle Tennessee shot better than 70 percent from the field for most of the second half, running away with an 86-52 victory over Florida International Tuesday night at Pharmed Arena. The win runs Middle Tennessee's winning streak to 10 games this season, tying for the sixth longest in school history and the longest winning streak since a 10-game stretch in 1999-00. Middle Tennessee (13-3, 5-0 Sun Belt) led 38-22 at the half and hit 19 of its first 25 shots after intermission, taking a 40-point lead at 84-44 with 4:57 left in the game. Freshman Brandi Brown also contributed 16 points, 13 in the first half. Givens took over in the second half, scoring 25 of her 32 points, including 12 of the first 17. The senior drove the lane continually in the second half, making lay-ups and short jumpers. Givens also dished out eight assists with four rebounds and six steals in 34 minutes, returning to the court after injuring her knee in Saturday's win over Troy. "I felt alright after the first practice when I was able to dribble [on Sunday] and I was cutting fine," Givens said. "I felt good the more I practiced and played [this week] and I felt like because it was a road game, I needed to come out and be more aggressive and score and do the things I needed to do. The shots fell tonight and we played real well defensively." Middle Tennessee's Krystle Horton added eight points and eight rebounds and the Blue Raiders outrebounded a much taller FIU, 37-29, in the game. "I thought Chelsia [Lymon] and Starr [Orr] were the difference up front and Krystle Horton down low with the rebounds and hard-nosed battling those players did for us tonight," head coach Rick Insell said. "The

player Chelsia was guarding (FIU point guard Iva Ciglar) had 10 turnovers. "Everybody that played tonight was able to contribute and that's what a team's all about. We've got to be able to play 10-12 players and give some others rest playing these road games. It was a great win and we played well." Middle Tennessee scored 38 points off 29 FIU turnovers in the game, while the Blue Raiders turned the ball over just 13 times, recorded 20 assists and made 18 steals. Brown hit a trio of 3-pointers early in the first half and totaled 13 points in the first 20 minutes, as the Blue Raiders raced out to a 38-22 halftime lead. Brown entered the game just three minutes in and made her first basket before hitting nine consecutive points, all on trifectas, giving Middle Tennessee a 17-10 edge with 12:07 left in the half. The Blue Raiders were ahead 38-18 after a Givens lay-up with 3:30 before the break, but did not score again, including Givens missing two free throws with 0.4 seconds remaining. Middle Tennessee plays the second in a three-game road swing on Thursday, taking on Florida Atlantic at 6 p.m. CT. The road trip ends Saturday at New Orleans. **NOTES**
