MT Media Relations

MURFREESBORO, Tenn. -- Middle Tennessee's baseball game against Jacksonville State on Saturday has been cancelled due to inclement weather. The Blue Raiders and Gamecocks will play two games on Sunday, nine innings followed by seven innings, starting at Noon.

Senior **Matt Scott** scattered two hits over six innings to pick up the win on the mound in Friday's opener, while senior **Wayne Kendrick** led the offense with four of the team's 13 hits. The Blue Raiders have won five straight in the series with JSU after sweeping the Gamecocks on the road last season and winning the final game of the 2005 series in Murfreesboro.
