**MURFREESBORO, Tenn.** - Middle Tennessee brought a halt to a pair of five-game streaks here Saturday night, ending its five-game losing streak and bringing to an end Florida Atlantic's five-game win streak in a 79-59 triumph on Senior Night at Murphy Center.

The Blue Raiders (13-16, 8-10) made sure seniors Tim Blue and Kyle Young closed the regular season on a winning note as they scored a season-high 79 points on 53 percent (29-of-55) shooting from the field to sweep the season series from the Owls (15-14, 10-8).

Four Blue Raiders scored double figures in the balanced offensive attack, led by Calvin O'Neil's 15-point performance - the second-highest output of his career - while Blue continued his late-season surge with 14 points and seven rebounds. Nigel Johnson tallied 11 points to produce double-figure scoring in consecutive games for the first time this season, and stellar sophomore point guard Kevin Kanaskie continued his season-long stretch of solid

play with 11 assists and no turnovers to go with seven points. Young contributed eight points.

Middle Tennessee moved into a three-way for eighth with the win; however, it will have to travel to Troy for the first round of the Sun Belt Conference championships Wednesday at 7 p.m., as the Trojans earned the No. 8 seed by virtue of the tie-breaker and the Blue Raiders will be the No. 9 seed.

Guard play was really the key factor in the contest as the Blue Raiders' starting guard combination of O'Neil, Kanaskie, and Johnson combined for 33 points, 19 assists and just one turnover. Kanaskie became the first Middle Tennessee player to dish out double figures in assists in three games during the same season, while O'Neil's five assists were the second-highest of his career and he had no turnovers. The Blue Raiders had a season-high 21 assists as a team on 29 field goals made.

"When you get guard play like that you are not going to lose very many times. We had great unselfishness with 21 assists and 29 baskets made. Those guys were very good tonight."

Middle Tennessee led the game wire-to-wire, controlling a close contest in the first half and then breaking it open with a 43-point second half on the way to the 20-point win. In addition to the 53 percent shooting clip from the field the Blue Raiders also knocked down 85 percent (17-of-20) from the free-throw line.

Middle Tennessee held an opponent to less than 60 points for the 11th time this season and the Owls managed just 38 percent shooting from the field (16-of-42). The Blue Raiders, who lead the Sun Belt in scoring defense, allowed just seven second-half field goals as they pulled away in the contest.

**SENIORS ALSO WIN OFF COURT:**Young and Blue have been winners on the court but they are also highly-successful student-athletes. Both seniors were joined by people instrumental in shaping their lives during a pregame ceremony. Blue was joined by his parents, Felicia and Reginald Washington, and his uncle, Willie Denson. **KANASKIE IN CLASS BY SELF II:**At the end of the regular season sophomore guard Kevin Kanaskie is doing something no Blue Raider has in the 84-year history of the program. Entering the postseason Kanaskie is the only player to lead his team in scoring (12.3), 3-pointers (63), assists (178), and steals (30) in the same season. He moved into seventh on the single-season 3-point field goals made list with one against Florida Atlantic - his 63rd of the season. ### **Postgame Quotes**

#### **Middle Tennessee Head Coach Kermit Davis**

##### **On the team's win against FAU:**

"It's about guard play. Our guards had 33 points, 19 assists and one turnover. When you get guard play like that, you're not going to lose very many times. I thought Tim Blue was more active on his senior night. I wish Kyle [Young] could have gone out the right way. He had five personal fouls and I wanted him to be a guy at the end that would come out and get the respects from the fans he has earned. He got a great ovation but I wish he could have come out under different circumstances. I thought we had more guys to play. We shot 53 percent and gave up 38. With those stats, you have a great chance to win the game."

##### **On the team shooting 53 percent:**

"We had great unselfishness with having 21 assists and 29 baskets made. We got to the free throw line a little bit. We were a little bit more conscious on the inside-out. I thought Theryn Hudson had the potential to have a really big game, but he stayed in foul trouble."

##### **On the play of Calvin O'Neil:**

"I thought he was much more aggressive. I thought Kevin Kanaskie gave him some great pitches ahead. Calvin was aggressive going to the rim. The most athletic play he made was the tip. Hopefully his aggressive play will carry into tournament play."

**On the past few practices:**

"Our practices have been really good most of the year. They are resilient guys and fun to be around. I thought we had really good turnaround time after the Troy game. Yesterday we were really physical in the hour-and-a-half practice and hopefully we can continue this momentum into the tournament."

**Senior Forward Tim Blue**

**On the tonight's win:**

"I think we worked hard in practice these last couple of days and it really came together tonight."

**On what the win means heading into postseason play:**

"I think [the win] was great timing. It was our last regular season game. We had lost five straight and to get that last win before going to the [Sun Belt Conference] Tournament gives a little momentum."

**Senior Forward Kyle Young**

**On tonight's win:**

"It was the best offensive output all year and we held [Florida Atlantic] to under 40 percent. That was one of our goals for them game. It wasn't just an offensive game it was also a defensive game. I thought for the most part a lot of players came out and played really well. We have to have more than two players play well every game to win games and I thought we had five, six or seven - it might have been the whole team that played well."

**Looking ahead to postseason play:**

"I think teams forgot about us but tonight winning the way we did was good. Nobody is going to look at us. FAU is still a good team. They are still probably one of the top teams right now in the conference because they beat a lot of the top teams coming into this game. It is nice to get this win and you have to give credit to the whole team, it was a team effort."

**Sophomore guard Nigel Johnson**

**On tonight's win:**

"I think it gave us momentum into the [Sun Belt Conference] Tournament."

**On his play:**

"Coach [Kermit Davis] likes when I drive. I make everyone else better when I drive and find the open man. He wants me to be an offensive threat where I drive and find the open man. That was my goal for the night."
