## BLUE RAIDER FAST FACTS

When Middle Tennessee beat South Alabama in the semifinals of the SBC Championships it marked the 100<sup>th</sup> career win for Kermit Davis at Middle Tennessee, making him the second fastest men's basketball coach to achieve 100 wins in program history.

Middle Tennessee has averaged 17 wins per season in Kermit Davis' first six campaigns, which is the second-highest total for any Blue Raider coach in his first six seasons. Davis also ranks among the Sun Belt's all-time winningest coaches in terms of league victories. He is second in all-time victories among active Sun Belt coaches with 51, trailing only Ronnie Arrow, and he is 12<sup>th</sup> on the league's all-time wins list overall. He is two wins shy of the 11<sup>th</sup> spot. These totals only include regular-season victories.

For the 2008-2009 Season the Blue Raiders are returning all 5 starters and return 8 total lettermen. The 2008-2009 Season ticket package has a combined 17 total home games in the Murphy Center.

The Middle Tennessee Blue Raiders will host the University of Tennessee on Friday, November 21st and the University of Houston Tuesday, December 2nd this year in the Murphy Center.

Kevin Kanaskie and Demetrius Green were named to the Sun Belt Conference Academic Honor Roll in 2007-08. Players must maintain between a 3.0 and 3.49 GPA in order to make the Academic Honor Roll. Overall the Blue Raiders had a successful spring semester in the classroom with a combined team G.P.A. of 3.01. The Blue Raiders had over 6 individuals above the 3.0 mark.

Forward Desmond Yates was awarded the All-American Strength and Conditioning Athlete of the Year by the National Strength and Conditioning Association (NSCA).

The Blue Raiders' 26 Sun Belt road wins are the second most of any current league member and just one behind leader South Alabama.

The Kermit Davis Basketball Camp enjoyed one of its best turnouts this summer with almost 200 young people participating. It was the second-largest turnout for the camp in its seven years at Middle Tennessee. We were excited to see several of your sons and daughters participate and we trust it was an enjoyable experience.

# Membership Has Its Benefits ...

- Sixth Man members can take terrific pride in knowing your membership dues are going directly to help Blue Raider Basketball enhance facilities! For example, our biggest project for the 2007-08 season was finishing our **basketball practice facility** with NBA-like wall padding and scoreboards which in turn enhanced our program tremendously! Your monies have installed 22 theatre seats in the squad room, upgraded our video editing system, provided us with high definition TV's in our locker room as well as a 19' x 11' MTSU Basketball mural! This year we are upgrading our lap top video system as well as Murphy Center basketball wall décor action shots.
- Don't miss the Kermit Davis Sixth Man Club Pre-season Tip-Off Party during the month of November T.B.A!
- Sixth Man Club Nike Apparel.
- Pregame hors d'oeuvres prior to three select home games this season. You may bring an additional guest for \$5.
- Coach Davis and his staff personally deliver a scouting report 30 minutes before tip-off prior to three selected games.
