February 7, 2005 · MT Media Relations

MIAMI, Fla. - Florida International's LaQuetta Ferguson scored a career-high 19 points off the bench, leading the Golden Panthers to a 66-55 win over Middle Tennessee in Sun Belt women's basketball action Monday night at Pharmed Arena.

FIU (14-7, 4-4 SBC) shot lights out from the floor in the game, including 67 percent in the first half, and dominated the glass in handing the Lady Raiders their second straight loss. The Golden Panthers used a 16-8 run in the second half to expand a three-point halftime lead, ending a three-game losing streak to Middle Tennessee in the process.

The Lady Raiders (14-7, 6-2) cut a 10-point deficit to six with 4:33 to play on a short jumper from Lakira Boyd, but FIU answered on three straight trips, getting a layup and a pair of 15-footers to open their biggest margin of the contest at 62-50 with less than three minutes to play.

Middle Tennessee was never able to get enough defensive stops against the Golden Panthers, as the home team shot 57 percent from the floor for the game. The two teams traded baskets in the first half, but the Lady Raiders were just 6-for-26 from the field in the second half, allowing the home team to expand a three-point halftime edge.

FIU took advantage of the cold shooting and executed offensively with the help of point guard Faeza Bonderra, who dished out a game-high six assists.

Ferguson was one of three Golden Panthers in double figures, with Milena Tomova adding 17 and Eva Makela scoring 11. FIU also blocked seven shots in the contest and outrebounded the Lady Raiders, 33-25.

Chrissy Givens led Middle Tennessee with 17 points, five rebounds and four assists. Krystle Horton added 12 points, all in the first half, with Tia Stovall scoring 10.

Middle Tennessee head coach Stephany Smith was not pleased with her team's effort, especially on the defensive end of the floor.

"We were very lethargic and our defense, which we have been hanging our hat on since the start of conference play, was bad throughout the game," Smith said. "[FIU] had a ton of dribble penetration, and we were very lackadaisical.

"Our body language was bad, and [FIU] made a lot of great shots. They knocked down every open shot, and they got a lot of open looks.

Smith said her team did not play well in just about every aspect, and it showed on the final box score.

"It's a very disappointing loss. Our effort, leadership and execution were all poor, and there's not much positive to look at from tonight's game."

The Lady Raiders host Denver Thursday at 5:30 p.m. at Murphy Center in a doubleheader with the men.
