The athletic department also announced a competition for the student body as student support will play a huge role in the team's success down the stretch. In partnership with Student Programming, the athletic department has created the "Run for the Bowl" student organization attendance competition!

Student organizations who register will compete to bring the largest percentage of their group to Middle Tennessee's last three home football games. The winning organization will choose between the following prizes: a 50-inch Flat Screen TV, a \$600 Visa gift card or a Pizza Party.
