Athletic Ticket Office expands hours

Expecting large crowd Thursday

Athletic Communications

MURFREESBORO, Tenn. - As a result of the interest in Middle Tennessee's home game with Big Ten foe Minnesota on Thursday night, Athletic Ticket Manager Marco Born has announced extended hours for ticket availability on Tuesday, Wednesday and Thursday.

"Ticket sales have picked up dramatically since school started, and the phone lines have been busy all day," said Born. "We felt that we needed to expand our hours to make sure that everyone that wanted to come to the game got the opportunity to buy a ticket."

The main ticket office on Faulkinberry Drive will open at 8:00 am, and close at 6:00 pm on both Tuesday and Wednesday. In addition to the main ticket office, which will open at 8, all stadium ticket booths will also be open on game day, starting at 10 am, to prevent long waits to purchase tickets.

Season tickets may still be purchased as well, but only at the main ticket office, over the phone at 1-888-YES MTSU (937-6878), or online at GoBlueRaiders.com.
