**The past few weeks have been a whirlwind for you. How does it feel to be settled and know where you're headed?**

"It feels really good. When you get a chance to show your skill one more time and to get to do it on the big stage, it's really amazing."

**What are you looking forward to the most about playing in the Summer League?**

“Just going out there playing hard and hoping the Washington Wizards give me a contract for the regular season.”

**You’ll be going up against some of the NBA’s top prospects in the Summer League. What do you have to do to set yourself apart?**

“I have to be well-prepared to go against these top players. I’m at the gym now and we’ll have two-a-days starting Monday (July 9) until we leave for Vegas.”

**You’ll be back in Murfreesboro this weekend to get your Sun Belt championship ring. What does that ring represent to you?**

“It makes me think about what we accomplished this year. I’m proud of showing off my ring to everyone in DC and Vegas. I have to let them know what I’m coming to do.”
