During that span, Gunn is averaging 17.5 points, 6.0 rebounds and has made 9 of 15 shots from the field (.600). Head Coach Randy Wiel:

At the beginning of the season, and rightfully so, everybody picked us to finish dead last among the twelve teams. Right now, we cannot finish worse than fifth and third in our division. Of course, Western [Kentucky] and Little Rock are ahead of us and deservedly so. I think we came a long way from where we were predicted to finish. We played very good at home and struggled on the road, just like a lot of teams. I think it's maturity that counts on the road when you tighten up and win the close ones. We have won every game at home except for two. One of those was in triple overtime and the other was to the strongest team in the conference. We have beaten everybody else in the conference. By no means does that mean we are the best team in the conference. It means we have closed the gap and we can play with anybody. In a tournament, anybody can win. **MT Guard John**

Humphrey:

I think we have come a long way since the beginning of the season. We have matured a lot and we are playing more as a team. **On the game at WKU:**

I think we are going to surprise a lot of people. **MT Guard Dee Wilkes:**

On senior night:

It felt really good to have that kind of applause. I had a lot of family here tonight. I just wanted to stay focused, and luckily we got a win. **MT Center Lee Nosse:**

On senior night:

It was emotional. It is something that probably won't sink in until the end of the season. It was something I really didn't expect with the crowd cheering. **Denver Head Coach Terry Carroll:**

I thought that we let our offense dictate our overall game. We came out and missed shots early and didn't make anything happen on the defensive end. When MT went on its little run and got its offense flow going, it really picked them up at the defensive end. We just stood around and expected somebody to step up and make something happen. As we all know, that is not the best way for our team to have a chance to win.
